	TOTAL PRICE OF SAW AND ACCESSORIES			
	SHIPPING/DELIVERY CHARGES			
	GRAND TOTAL			

This order is not binding on either party until confirmed. Efforts will be made to fill orders in the order received. Taxes and shipping are extra. Prices and specifications are subject to change. The contact detection and braking systems work to minimize injury. The severity of an injury will depend on the speed at which you contact the blade. You may incur a serious injury on a SawStop saw.
